*January 4, 2024*

*Dedicated to the Glory of Almighty God*

*My dearly beloved children of God,*

*I love you and God loves you.*

My name is "A Soul" and I am a Christian prophecy blogger. My main prophecy website is <https://MaryRefugeOfSouls.com> which I invite you to visit to stay up to date with Heaven's messages to various chosen souls and the Divine Plan of Papa God for His beloved children, mankind, living on earth today.

During early April 2023 (Holy Week and Divine Mercy Week), I experienced a heightened mystical encounter with God. Our Lord Jesus Christ spoke extensively to me about End Times prophecies. In particular, I was given important instructions for the Harbinger Week, the Great Earthquake, and the Great Warning (Illumination of Conscience). Note: Harbinger Week happens just before the Great Warning. It consists of 7 Days and 7 Nights when the Illuminated Cross of Jesus will be visible in the sky. During Harbinger Week, there will be a blood red Moon and the Sun will be dimming its light until there is absolute darkness on earth. On the 7th Day / Night, there will be a massive Great Earthquake just prior to the Great Warning taking place.

In addition, Jesus also gave me important instructions for the Great Exodus (End Times Evacuation) to the refuges. I also received other information and instructions pertaining to the Great Chastisement (Three Days of Darkness) at the end of the Great Tribulation of the Apocalypse.

So I took all of this information and instructions and, under the guidance of the Holy Spirit, I compiled Three Volumes of writings and related prophecies given to various chosen messengers over the years. These **Three Volumes** are titled, the **Handbook of God the Father**, and they will be released as free downloadable PDFs at the end of this month of January 2024.

However, because the Handbook of God the Father is over 800 pages, the Holy Spirit instructed me to create Six Essential Documents based primarily on Volume One for those who cannot read or print out the entire Handbook. These Six Essential Documents are about 90 pages total and consist of the critical information that people need to prepare for the events surrounding the Great Warning and the Refuges. The Holy Spirit also instructed me to build another website specifically for the Handbook of God the Father and the Six Essential Documents, which is a labor of love that I hope to have fully completed by Easter 2024.

This new website is <https://Handbook.faith> , which I invite people to visit and spread knowledge of to as many people as possible so they may learn further about Papa God's plans for the End Times. The website is fully compatible with Google Translate, so people may be able to read online both the Handbook of God the Father and the Six Essential Documents in over 130 languages.

Meanwhile, here are the titles of the **Six Essential Documents**, which I am releasing first on my blog, *MaryRefugeOfSouls*, and also on the new website, Handbook.faith . These Six Essential Documents are enclosed in this Zip file and are written originally in English. They will also be made officially available as free downloadable PDFs in multiple languages on the website, Handbook.faith , in the future.

*Beloved ones*, I am really excited to finally be able to share with you all, *my dear blog followers* of **MaryRefugeOfSouls**, about this special project of Papa God. I am also very grateful to the several people who have helped me to bring this special project to fruition. Truly, I am indebted to many wonderful people who used their spiritual and physical gifts to help me and support me during the process of writing and compiling the Handbook of God the Father. I pray especially for all these special people to be blessed abundant-fold by Our Dear Sweet Papa God for their love, support, and guidance during these past several months which has been very critical for me.

Finally, *beloved ones*, I ask for your most powerful prayers for the overall success of the Handbook of God the Father, the Six Essential Documents, and the new website, Handbook.faith . If there is ever something that I hope will be read and embraced by many people around the world, it would be this special project of Papa God.
